

**D-BOX Technologies announces the appointment of Steve Li
as Vice President of Investor Relations & Corporate Strategy**

Montreal, Quebec, May 21, 2019 – D-BOX Technologies Inc. (TSX:DBO), a world leader in immersive motion entertainment experiences, announced today that Mr. Steve Li has been appointed to the role of Vice President, Investor Relations & Corporate Strategy.

Mr. Li 's prior experience includes nine years as a Research Analyst at Industrial Alliance Securities Inc. where he analyzed market trends in the technology sector, provided investment recommendations, and developed relationships with asset managers and corporate clients. Most recently, Mr. Li was Director of Corporate Development at Tecsys, where he built relationships with institutional brokers and investors, oversaw the Investor Relations Program, and contributed to the company's strategic planning and strategic initiatives.

With a bachelor's degree in Finance from HEC and a graduate certificate in Finance and Treasury Management from McGill University, Mr. Li brings the perfect combination of education and strong analytical experience to his new role.

"I'm excited to join the market leader in motion technology at a time when the opportunities are literally endless," said Mr. Li. "I am looking forward to working with my new team to create value for all stakeholders".

"We are very pleased to welcome Mr. Steve Li to the position of Vice President of Investor Relations & Corporate Strategy," said Claude Mc Master, President and CEO. "His prior experience in technology-driven companies combined with his impressive knowledge of the stock market will strengthen our relationships within the investment community."
